

## 1. Analyze Monthly Revenue & Order Volume

Result Grid |  Filter Rows:  | Export:  | Wrap Cell C

|   | year | month | total_revenue | order_volume |
|---|------|-------|---------------|--------------|
| ▶ | 2022 | 10    | 1650.00       | 1            |
|   | 2022 | 11    | 3575.00       | 2            |
|   | 2022 | 12    | 3300.00       | 2            |
|   | 2023 | 1     | 9355.50       | 5            |
|   | 2023 | 2     | 13640.00      | 5            |
|   | 2023 | 3     | 14300.00      | 5            |
|   | 2023 | 4     | 13475.00      | 5            |
|   | 2023 | 5     | 15400.00      | 5            |
|   | 2023 | 6     | 17325.00      | 5            |

## 2. Get Top 3 Months by Revenue

Result Grid |  Filter Rows:

|   | year | month | total_revenue |
|---|------|-------|---------------|
| ▶ | 2023 | 6     | 17325.00      |
|   | 2023 | 5     | 15400.00      |
|   | 2023 | 3     | 14300.00      |

## 3. Filter Specific Time Periods (e.g., Jan to March 2023 only)

Result Grid |  Filter Rows:  | Export:  | Wrap Cell Content: 

|   | year | month | total_revenue | order_volume |
|---|------|-------|---------------|--------------|
| ▶ | 2023 | 1     | 9355.50       | 5            |
|   | 2023 | 2     | 13640.00      | 5            |
|   | 2023 | 3     | 14300.00      | 5            |

#### 4.GROUP BY year/month.

| Result Grid    Filter Rows: <input type="text"/>   Export:  Wrap |      |       |                 |              |
|--|------|-------|-----------------|--------------|
|  | year | month | monthly_revenue | order_volume |
| ▶  | 2022 | 10    | 1650.00         | 1            |
|  | 2022 | 11    | 3575.00         | 2            |
|  | 2022 | 12    | 3300.00         | 2            |
|  | 2023 | 1     | 9355.50         | 5            |
|  | 2023 | 2     | 13640.00        | 5            |
|  | 2023 | 3     | 14300.00        | 5            |
|  | 2023 | 4     | 13475.00        | 5            |
|  | 2023 | 5     | 15400.00        | 5            |
|  | 2023 | 6     | 17325.00        | 5            |

#### 5.Use ORDER BY for sorting.

| Result Grid    Filter Rows: <input type="text"/>   Export:  Wra |      |       |                 |              |
|---|------|-------|-----------------|--------------|
|   | year | month | monthly_revenue | order_volume |
| ▶   | 2022 | 10    | 1650.00         | 1            |
|   | 2022 | 11    | 3575.00         | 2            |
|   | 2022 | 12    | 3300.00         | 2            |
|   | 2023 | 1     | 9355.50         | 5            |
|   | 2023 | 2     | 13640.00        | 5            |
|   | 2023 | 3     | 14300.00        | 5            |
|   | 2023 | 4     | 13475.00        | 5            |
|   | 2023 | 5     | 15400.00        | 5            |
|   | 2023 | 6     | 17325.00        | 5            |
